

Nestled on rolling terrain surrounded by lush hills, Palo Alto is a 200-hectare prime residential and commercial estate that rises sets you above the rest. Estate lots range from 7,000 sqm. to 1 hectare. That's enough wide open space to set up your retirement farm, or put up your country mansion. And big enough to build your dream on.

Your choice of spacious lots set on higher ground

Serenity...

Live in a place where you can breathe easy, surrounded by pristine air, fertile farms and mango orchards. A place where you can bask in the glorious lushness of untouched woodlands. Explore grassy paths and walkways, tree-lined roads, jogging trails, bicycle routes, and nature trails.

Splendor...

Wake up to the wondrous sights and sounds of a peaceful morning. Feel the grass beneath your feet. Hear the raindrops fall on the ground and in surrounding ponds and pools. Appreciate the rustic charms of a garden you helped cultivate.

A vantage point that puts the metropolis within driving range

Straddling the towns of Baras and Tanay, Palo Alto is easily accessible via Sumulong Highway or Marcos Highway, traversing the quaint towns of Rizal Province. Just a short drive away is the Sta. Lucia East Grand Mall, while the Makati Central Business District and Ortigas Center are accessible via C-5 or EDSA. Everything you need is within reach: commercial complexes, schools and universities, leisure and entertainment establishments, and medical centers.
